

Golden Opportunity Youth Association (GOYA) in partnership with HMP Coldingley Prison are organising a Monthly Crime Diversion Program for young people at Risk of offending and first time offenders.

The Crime Diversion Program programme is primarily for young people between the ages of 13 years of age to 17 years at risk of offending or those who have started to offend.

For the young people that take part in the project it is a wakeup call to a possible road that lies ahead for them. The day-long workshops demonstrate the harsh reality of prison life and Inmates give a harrowing detailed account of how they ended up inside.

The workshops will take the form of an interactive presentation designed to challenge attitudes to crime.

The maximum number of young people per trip is 12. GOYA will provide the transportation to and from the prison and the Lunch will be provided.
